JOB NO.	工程编号	-

DRAWING TITLE	图纸名称	

This architectural floor plan diagram illustrates a room layout with various dimensions and design details:

- Vertical Dimensions:** FFL ±0.00 at the top left, and AFFL. 2400 and AFFL. 60 at the top right.
- Horizontal Dimensions:** 100, 800, 600, 840, and 60 along the top edge.
- Central Furniture:** A large rectangular table is positioned in the center, labeled with a diameter of 2500.
- Left Wall:** Features a vertical striped pattern on the leftmost 100 units. A sink unit is located between 800 and 600, with "热" (Hot) and "冷" (Cold) water symbols above it.
- Right Wall:** Contains two large windows, each divided into four panes by a cross bar.
- Bottom Edge:** Labeled 900 on the left side.
- Material Notes:** WD 01 (木饰面) is noted on the right side, and CT 01 (米色瓷砖) is noted at the bottom right.

This vertical strip of a stained-glass window design features a repeating grid of thin black lines forming a rectangular frame. Inside this frame, there are several stylized elements: a large circle at the top right, a smaller circle below it, and a rectangle containing a diagonal black bar. In the center, there is a larger circle with a fan-like pattern inside it, flanked by two smaller circles. The bottom section contains a large circle with a fan-like pattern and a rectangle with a diagonal black bar. The entire design is set against a white background.

This figure shows an architectural floor plan diagram. At the top, a horizontal dimension line indicates a total width of 2400 units, divided into eight segments of 300 units each. Vertical dimension lines on the left and right sides indicate heights of FFL ±0.00 and AFFL 2,400. Below the dimension lines, a grid of rectangles represents furniture pieces. A large rectangular area is positioned at the top, and a triangular-shaped area is located below it. Arrows point from the labels 'WD 01' and '木飾面' to the bottom edge of the triangular area, and from 'CT 01' and '米色塗装' to the top edge of the same area. The bottom portion of the diagram consists of a large rectangular frame.

An architectural line drawing of a window frame. The frame is divided into four panes by a vertical mullion on the left and a horizontal mullion near the bottom. A black handle is attached to the right side of the frame. On the left side, there is a large, bold number '120'. The drawing uses fine lines and cross-hatching for shading.
